Subject: LEGAL REVIEW: July 30 Update for NWEA

Hi All,

See below.

Given that Jeff is out until July 31, I don't believe he needs to be part of the review. Once the managers and Steve & JB are comfortable with the report, then we should forward to Kris Swanson for a final review before Christine emails the report to Nina.

Okay?

Subject: RE: response to NWEA's June 12 letter

I don't recall how the format for the bi-monthly communications question (writing vs. phone call) was resolved, but it feels to me that that was all we were waiting on from the senior program managers.

On late July, I think that date is accurate. Quarterly is every three months, so counting backward would be the end of October and end of July. [Now that I type that out, I vaguely recall thinking there were three dates, so maybe they would be 60 day reports? End of November, end of September, and end of July? I just don't remember clearly now.]

Given the time and effort that went into reviewing the letter, I think we should push to get it out ASAP.

Hi all,

Ex. 5 - Attorney Client

And if so, does anyone have a problem with me communicating that to Paul via email, rather than a formal letter response?

Let me know.

Thanks for the comments Steve. I made a few edits to address but still have a question on your recommendation that we strike the bullets about the meetings we've held. Yes, they are ongoing but they have occurred. Wouldn't it be good to show that we've met and had discussions as part of our progress??

Jeff, JB--look forward to your input.

In the attached, I re-inserted the comments I provided earlier today.

These are consistent with the comments provided by Kris earlier, but I can confirm that if that is a concern.

Thanks,

Steve, JB, and Jeff--

Please see attached clean copy of the status update we plan to send NWEA by July 30. It has been reviewed by tech and mngt teams. I believe Kris Swanson also mentioned he would like to review so perhaps you can coordinate with him as well.

Please provide any edits by COB July 22nd so we have time to reconcile any differences before Christine sends by email.

Thanks,
Allison
